

# Travel with confidence

## Plan ahead

### Be informed

Check train times before you travel at [www.nationalrail.co.uk](http://www.nationalrail.co.uk)

### Get your ticket online

Reduce close contact by only using our ticket offices if you have to

## Stay safe and considerate

### Wash your hands

Before and after travelling

### We recommend you wear a face covering

Over your nose and mouth, unless you are exempt

### Keep your distance

Stay apart from other people by 2 metres if you can – about the length of holding your arms out to the side

### Priority seats

Keep priority seats and wheelchair spaces free if there are other seats available to you

## We are...

### Increasing cleanliness

Cleaning stations and trains more frequently

### Providing hand sanitiser

Ready for you to use when you need it

### Giving information

Clear signs and announcements to help you find your way
